- Your coronavirus (COVID-19) test result is negative. It's likely you were not infectious when the test was done.
- If you develop symptoms of coronavirus, it is advised that you take a PCR test. If you have any of the main symptoms the public health advice is to avoid contact with other people where possible.
- For more information visit <https://www.gov.uk/coronavirus>
- If you do not live in England, please follow and adhere to your local government rules regarding travel abroad and returning home.

Yours Faithfully,

Franklin Joseph
